

# Welcome to ZippSlip!

We have recently partnered with a secure online service called ZippSlip, to strengthen the bond between our home and school communities.

This will allow you to respond electronically through your phone or browser to:

- ▶ Forms, including permission authorization and registration forms
- ▶ Stay informed with multi-media messages
- ▶ Receive real time emergency notification

Please continue reading for registration information!

The screenshot shows a mobile app interface for "Parent Registration". At the top, the time is 10:50 and the signal is LTE. Below the ZippSlip logo, a blue circle with the number 1 indicates the first step: "Please fill in your details below". The form contains several input fields: "First Name", "Last Name", "Email", "Create Password", "Confirm Password", and "Mobile Number". A red rectangular box highlights a checkbox labeled "Send me activity notifications and reminder." which is checked. At the bottom, a green button with a blue circle containing the number 2 is labeled "Register".

- ▶ Click on “Add Student”

Date of Birth

The screenshot shows a mobile app interface for enrolling a student. At the top, the status bar shows the time 10:54, LTE signal, and battery level. Below that is a blue header with a back arrow, the text 'Enrolled Student', and an 'Add' button. A blue circle with the number '2' and a red arrow points to the 'Add' button. The main content area has a white background with the instruction 'Provide the following details to verify the details of your child.' Below this are two input fields: 'Student ID' and 'Date of Birth'. A blue circle with the number '1' and two red arrows points to both input fields. A calendar icon is visible to the right of the 'Date of Birth' field.
