

How to Look Up Student STAAR Scores

- Go online to www.texasassessment.com
- Scroll to the bottom of the page
- Under the STAAR links, click on "**Log In to Student Portal**"
- Click "**Ok**" for "You are now leaving texasassessment.com"
- Click on the blue link that says "**Look up Access Code**"
- Enter **student's name** PEIMS ID (**social security number**), and **date of birth**
- You should then see "Access Code Look Up Successful" with the code filled in
- Click on "**Go**"

You should be able to see your student's entire testing history, including the most recent testing.

Additionally, the format of the Confidential Student Reports that will be mailed to parents this year is significantly different than in prior years. On the homepage of the Texas Assessment page (referenced above), there is a link at the top Labeled "Understanding your Child's Score. This link contains helpful information, including a video tour, about how to read these reports.
