From The Counselor's Office

March 2018

Let us brag about you!!!!

Hopefully, you will soon be receiving scholarship offers for which you have applied, or from schools that have received your ACT or SAT scores. Make sure you bring a copy of your scholarship award letters to me, even if they are from schools that you are not going to attend. I will add them to your list of accomplishments that are announced at the Awards Assembly in May!

TSI Opportunity

If you are a senior who has not passed one or more sections of the TSI and would like an opportunity to retake the section(s) you did not pass, you must let me know as soon as possible. I will be setting a date on which you can take these tests. If you do not let me know, or you miss the date, you will have to take the exam at South Plains College for a higher fee. Your fees here at Smyer are \$5 for the Math or Reading sections, and \$10 for writing.
